That is, you are responsible for finding out, knowing, and following pertinent regulations. In addition, USCIS regulations now require PCTECH to report any change in your address during your stay in the United States to the student tracking system, SEVIS. PCTECH is required to report SEVIS by the end of your study, if it ends prior to the authorized expiration date. If you take time early on to familiarize yourself with your obligations to the USCIS, you should find it easy to maintain your legal status.

I certify that the information given here is true and correct. I understand that if I fail to comply with the policies of PCTECH, my enrollment is subject to termination and forfeiture of tuition and fees at the discretion of PCTECH. Additionally, I intend to come to the United States temporarily and for the sole purpose of educational study. I understand that I am personally responsible for compliance with all U.S Citizenship and Immigration Services (USCIS) regulations.
